

JOHN PHELAN WINS KAWASAKI JET SKI TECHNICIAN OF THE YEAR AWARD

Kawasaki MD Ted Mori with Kawasaki Jet Ski TOTY winner John Phelan

John Phelan from Mornington Motorcycles & PWCs in Victoria has exhibited exceptional Kawasaki Jet Ski knowledge and mechanical skill to win the 2008 Kawasaki Jet Ski Technician of the Year Award. On top of the honour of being Kawasaki's Jet Ski Technician of the Year, John also takes home \$2000 prize money.

After enduring comprehensive written and practical examinations along with a difficult customer relations situation to handle, John shone through as

Kawasaki's Jet Ski Technician of the Year at Kawasaki headquarters in Sydney on 28 November.

John was excited to win the award, saying, "I'm happy to be Australia's #1 Kawasaki Jet Ski technician. The testing set out by Kawasaki was harder and more thorough than I anticipated. This award goes hand in hand with Mornington Motorcycles & PWCs outstanding reputation for service and customer satisfaction."

While John took out top honours, Denny Moran from Jet Ski World in QLD was awarded 2nd place and John Hollett from Brisbane Jet Skis rounded out the top three.

Kawasaki is confident that John Phelan's Jet Ski Technician of the Year award will help to further the success of Mornington Motorcycles and PWCs in the south east region of Victoria.

Congratulations John Phelan
